VOLUNTEER FORM

Our PBY Catalina has finally made it to Sydney thanks to a small number of dedicated workers and donors. These dedicated men worked their butts off in Portugal to return the CAT to an airworthy condition and then ferried it all the way to Sydney. An achievement for which we are all very proud!

BUT THIS IS JUST THE BEGINNING OF THE PROGRAM

We now need to achieve an Australian Certificate of Airworthiness and restore the old CAT to something like its original wartime configuration. This requires some structural alteration and lots of anti corrosion treatment. The engines are new but need to be run regularly to keep them happy.

WE NEED VOLUNTEERS, ADVISORS, WORKERS, HELPERS - YOU!

If you have any skills and a little bit of spare time we invite you to join us at Bankstown and share in the satisfaction of being part of the team.

If interested could you please fill in the attached form, post it, fax it or email it to us.

PS If you're not physically available, but able to advise us we would be grateful!

Phil Dulhunty
Director
